

## JACC-GPS-B-PA Passive GPS Magnet/Adhesive Antenna

|                    |                                      |
|--------------------|--------------------------------------|
| Antenna Model No.  | JACC-GPS-B-PA                        |
|                    |                                      |
|                    | <b>GPS</b>                           |
| Frequency Range    | 1575.42 ± 3 MHz                      |
| Bandwidth          | ± 5 MHz                              |
| Gain               | 3 dBic                               |
| VSWR               | ≤ 1.5                                |
| Nominal Impedance  | 50 Ohms                              |
| Polarization       | RHCP                                 |
|                    |                                      |
| <b>PASSIVE GPS</b> | <b>Without LNA / Filter</b>          |
|                    |                                      |
|                    | <b>Mechanical</b>                    |
| Cable              | RG-174                               |
| Connector          | SMA / SMB / MCX or others            |
| Dimensions         | 1.9" x 1.5" x 0.6" / 48 x 39 x 14 mm |
| Plastic Housing    | Black Only                           |
| Mounting Method    | Magnet / Adhesive                    |
